(Immunity 50, 317–333.e1–e6; February 19, 2019)

In the original version of the published manuscript, the insets of Figure 3F (middle and right panels) were identical to the insets of Figure 3E. This error was generated inadvertently during the revision process of the manuscript. The insets of Figure 3F (middle and right panels) have now been replaced and are consistent with their corresponding images, and the revised version is provided below and has been corrected online. The authors apologize for the error.

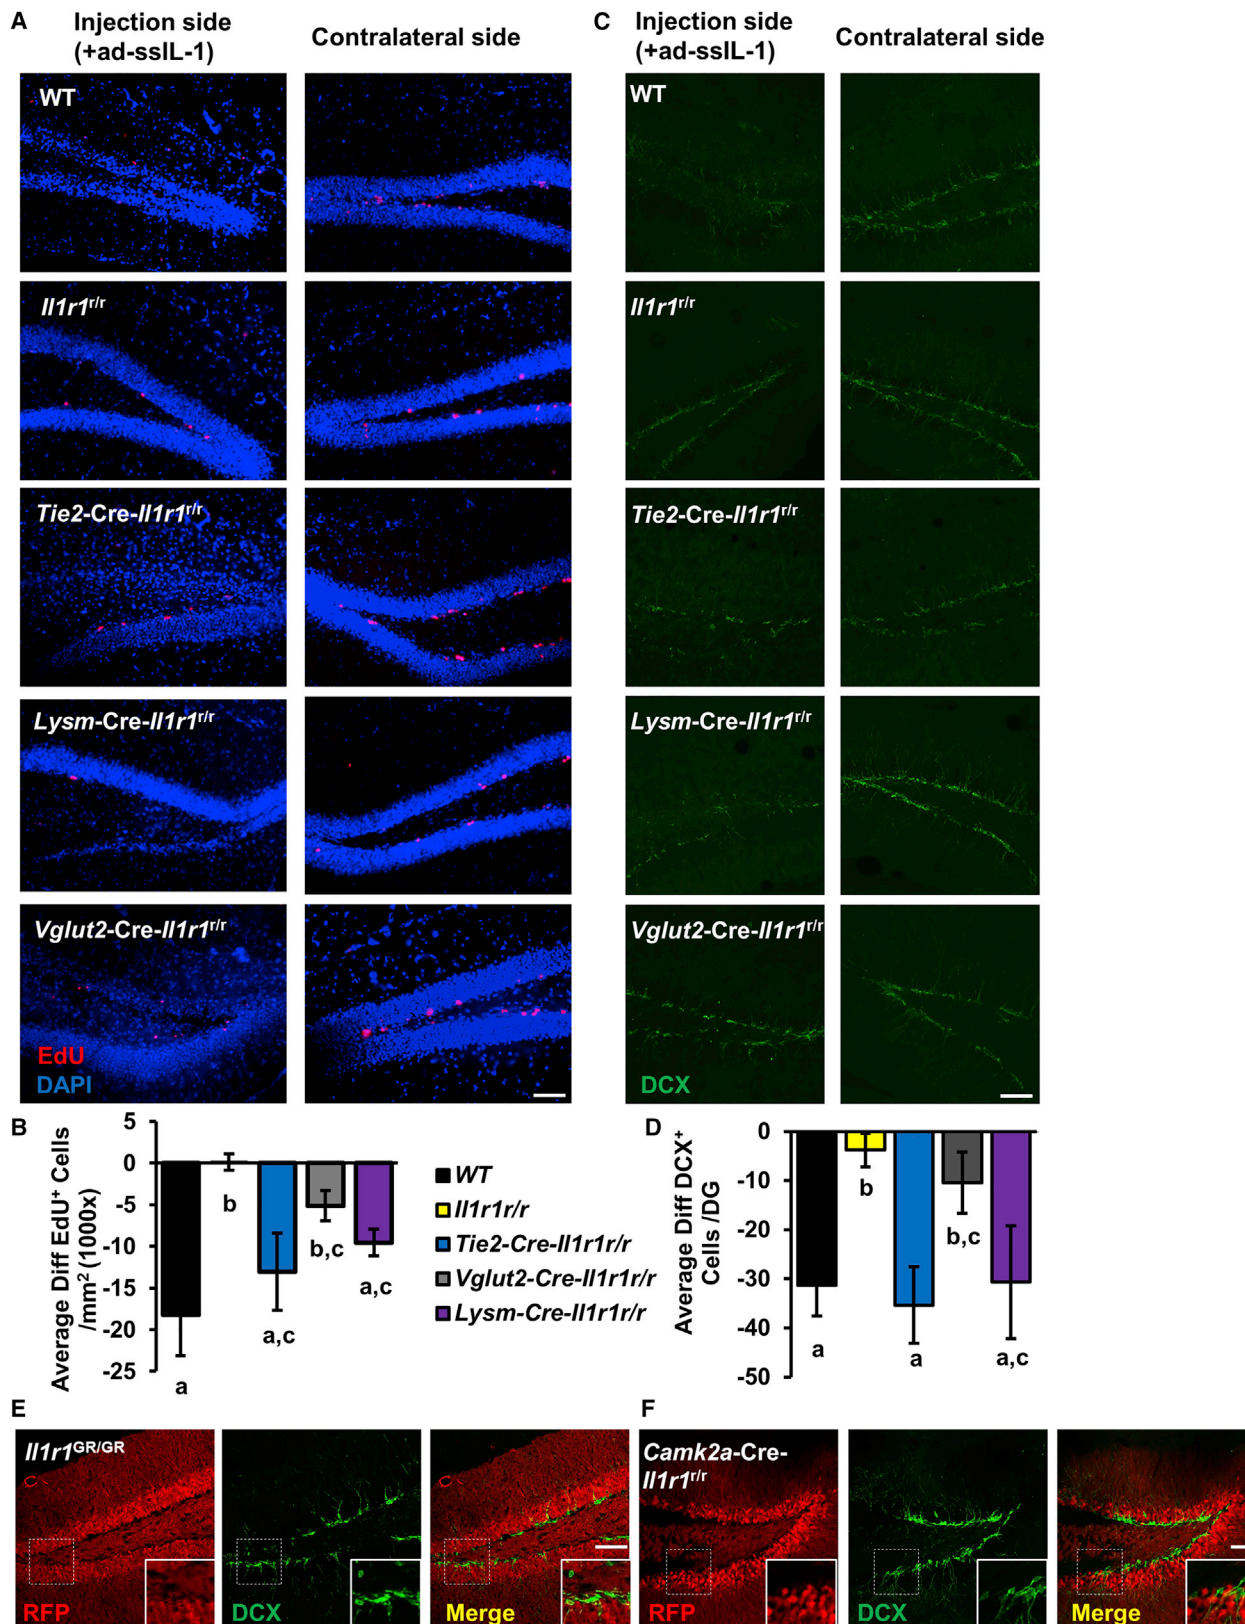

Figure 3. eIL-1R1 and Myeloid IL-1R1 Mediate Impairment in Neurogenesis (corrected)
